Crazy and long day today. We amended 3.54 as most people supported. However, after two months and 141 pages of input, it was unanimously conveyed to our Board — and personally very frustrating for me to learn —that there was no way for us to confirm if a person in our custody is documented or not.

I found that very disappointing. Obviously there was no support from anyone for calling ICE to pick up someone we didn't know was a US citizen or not, so nothing was changed in that respect.....M

Supervisor Wasserman,

The County's policy of not cooperating with Federal authorities regarding serious and violent felons is placing my family and others at significant risk. I urge you to vote to correct this egregious policy. I would appreciate a response to this email explaining your vote on this issue.

Respectfully Yours,
